

# SOLAR LED GARDEN LIGHT

## All-in-one Post Top

Outdoor LED solar garden lights feature high efficiency solar panel and battery for street lights that can be used for parks, pathways, sidewalks, streets, and yards.

 Intelligent RI EM IOTE Control	 High Efficacy 180+ LPW	 PIR Motion Sensor	 LED Module Design	 IP65 Rated
--	--	--	--	---

## FEATURE

Lightning Protection	4K Level
Housing	Die-casting Aluminum Alloy
Diffuser	PC, Shatter-Proof
Controller	PWM Constant-current Controller
Waterproof	IP65
Lumen Efficacy	180+ LPW
Sensor	PIR Motion Sensor + Intelligent Timing control
Beam Angle	Type V
Installation	For $\Phi 2 \frac{3}{8}$ "
Warranty	3 Years
Listed	ETL/cETL, CE, RoHS

## SPECIFICATION

Model#	Solar Panel	Power	Battery	Lumen Output	Control Mode	Dimension
LT-SPTA30	18V/25W	30W	LiFePo4, 3.2V/18AH	6,000 lumens	PIR Sensor+Intelligent Timing	$\Phi 540 \times 340 \text{mm}$
LT-SPTA50	18V/50W	50W	LiFePo4, 3.2V/18AH	10,000 lumens	PIR Sensor+Intelligent Timing	$\Phi 540 \times 340 \text{mm}$

## Solar Panel

High efficiency monocrystalline silicon solar panel built in high-capacity battery

## Intelligent Timing Control

PIR Motion sensor plus intelligent timing control

## Anti Corrosion

Special powder coating treatment for anti-corrosion

# 180+ LPW

## CERTIFICATE
